Dear Students,

The Social Media Team of NIT Jalandhar invites you to participate in an exciting initiative, "NIT Jalandhar Through Your Lens." This is an opportunity to showcase the vibrant spirit of our institute through creative reels.

Students are encouraged to create short reels capturing various aspects of campus life, including infrastructure, events, academic spaces, extracurricular activities, and other facilities provided by the institute.

Submission Guidelines:

- Reel duration: 30–60 seconds
- Content should be original and relevant to campus life
- Maintain good video quality and creativity

Selected entries will be featured on the official social media platforms of NIT Jalandhar and displayed on campus screens. Participants will also receive recognition and credits.

Exciting prizes worth up to ₹5000 are up for grabs.

Due to multiple requests for an extension, the committee has decided to extend the deadline for reel submissions. The new deadline is 8th June.

We are excited to receive your creative entries and showcase them on the official institute handles.

For any queries, please contact: pro@nitj.ac.in

We look forward to your enthusiastic participation.

Regards,
Social Media Team
NIT Jalandhar
