Hello Mr. Bhagat,

We have received a request from Vineet Chhabra seeking early closure of his internship, revising his tenure from **20th August to 27th July 2026**. Kindly confirm.

Kindly confirm your concurrence on the same so that we may give permission accordingly. Additionally, we request you to please ensure proactive communication from your end on such matters, as these dates ideally should have been discussed at the time of internship placement.

Greetings Ma'am,

My next semester is going to start from 27th july, while my internship is till 20th August . As you told in the orientation session to convey you early, I therefore request you to alter the duration and keep it till 3 August.

An extra duration of nearly one month will be difficult for me to manage due to attendance criteria.

Thank you,
Vineet Chhabra
